

C. J. Mahaney The Cross Centered Life – study guide

Chapter 7 – Never move on

Put this book on the shelf but never its message.

Many things (spinning plates) might cause the cross to slip into second or third place for our attention. Spend a minute or two thinking about what might compete with the cross for your attention.

C.J. Mahaney lists a number of aspects of Christian faith which make no sense without the cross. Under these headers write down how the cross relates to each of these:

1. The Old Testament

2. The End Times

3. Prayer

4. Holiness

5. Relationships

Can you think of any others of interest to you?

When you suffer – we will all suffer at sometime. How does the cross help when we do?

Why does C.J. Mahaney reply “better than I deserve” when asked how he’s doing?
